

■ **The leader in Rotary Diecutting Covers!**

Wagner Die Supply is the **West Coast Stocking Station** for
DICAR® Anvil Covers!

**If you are on the
West Coast and use
Rotary Diecutting
Covers you can get
fast delivery!**

**Faster delivery means you
could carry less inventory
and still meet your tight
production deadlines!**

Anvilok® Diecutting Anvil Covers:

- **Feature a custom-formulated urethane that optimizes performance and dependability.**
- **Are cast on a Stainless Steel backing and precision-ground to exacting tolerances.**
- **Are designed with a unique positive locking system that prevents the blanket from opening during use.**
- **Are easy to replace, and can be rotated easily with minimal downtime.**

DICAR offers multiple mounting versions and produces over 400 different sizes that fit virtually all makes and models of rotary die cutters!

The Dicar Logo, Boltless and the blue color of Dicar's die cutting blankets are trademarks and the name Dicar, Equalizer, Anvilok III, Equalok and Crushless are Registered Trademarks of Dicar, Inc.
