## Air Tool Balancer

Allows for easy overhead installation of air tools. Supports tools weighing 5 to 20 lbs. Excellent for use with any air-powered tool.

## Stripping Hammer

Designed for stripping waste and trim by hand. Replacement rubber tips available.

## The "Grabber"

The Grabber, a Wagner Supply Group exclusive, is a simple and effective safety device. The Grabber enables press operators to remove debris and stripping remnants from the press safely, **without leaning into or entering the press**. The Grabber virtually eliminates the hazards of operator contact with sharp stripping pins and steel rule. Easy to use and durable, the rubber tipped, stamped steel jaws close by squeezing the handle. Available in two sizes, 36" and 51".
