

■ Wagner G-Lam Laminating Adhesive

Water-based laminating adhesive specially-formulated for hardwoods.

Wagner G-Lam laminating adhesive is available in 1-gallon jugs and 5-gallon pails.

G-Lam, from Wagner Die Supply, is an easy to use, water-based adhesive designed for laminating two 5/16" profile dieboards before knifing. G-Lam does not contain solvents, and proper clamping is required during the drying/curing process to achieve the optimum bond. Always use gloves and eye protection when using G-Lam.

- *Rolls on white and dries clear*
- *Ideal for profile-cut wood for steel rule dies*
- *Available in 1 gallon or 5 gallon sizes*

Wagner has a full line of specialty adhesives, like Grip 'N Strip and SuperSet LV, specially formulated for the die industry!
