

■ **Wagner Safety Glasses** *Comfortable, easy to wear eye protection.*

Wagner Safety Glasses feature comfortable, wrap-around design and length adjustable legs.

Safety has always been a prime concern at Wagner Die Supply. Over the years we've manufactured and sold several items intended to ensure the safety of our customers. Tools like the **Wagner Extractor 2000 and 3000** rule pullers, and safety items like our **Kevlar® Gloves**, and "The Grabber" used to safely clear scrap material from the stripping end of a Bobst press. Recently, we added these comfortable and durable **safety glasses** to our product family. These safety glasses feature a wrap-around design and ultra-clear impact resistant lenses. The legs are adjustable to 3 lengths for maximum comfort. Reasonably priced, they are available at all of our Wagner Die Supply locations.

For safety always wear Wagner Safety Glasses and Wagner Kevlar® Gloves when handling and working with steel rule and steel rule dies!

Contact your local Wagner Die Supply representative and order your Wagner Safety Glasses & Kevlar Gloves® today!
