

■ Trim Breaker options from Wagner! Standard 1" and Universal 10"

Wagner Trim Breakers are available in two versatile styles, allowing for accurate stripping.

Wagner **Trim Breakers** are available in two versatile styles. A standard 1" pre-bent Breaker in either left or right side models. And a 10" Universal Trim Breaker that can be custom-bent and trimmed by the customer using any standard rule bender and cutter.

Universal 10" Breakers feature an extra-long 10 inches of blade for positive stripping of large waste areas, and can be custom-fit to the female stripping board.

Standard 1" Breakers are pre-bent in either right or left configuration for fit on female stripping board. Please specify side, right or left, when ordering.
