

— Bar-Plate's NEW Steel Rule Hand Broacher —

# Competitive advantage in one easy motion.

*The important technical advantages of Broaching, the removal of a strip of material from the side of steel rule (illustrated), were never affordable for the diemaker, until now...*

Bar-Plate's **NEW Steel Rule Hand Broacher** is a must for all Diemakers.

- ▶ Achieve distortion-free bending, even on the tightest bends and the hardest rule.
- ▶ Effectively bend side bevel knife.
- ▶ Eliminate difficult joints and create seamless joints.

These are just a few of the critical and unique advantages of our Steel Rule Hand Broacher.

Another innovative new product from the most trusted name in Diemaking: Bar-Plate.
