

In response to growing concern around COVID-19 and possibly facing more changes to daily routines, this communication is warranted in sharing the following, Wagner Die Supply remains open for continued business operations as usual. As defined in the California governor's executive order N-33-20, our operations are considered a "Federal Critical Infrastructure Sector":

- Workers necessary for the manufacturing of materials and products needed for medical supply chains, and for supply chains associated with transportation, energy, communications, **food and agriculture, chemical manufacturing**, nuclear facilities, the operation of dams, water and wastewater treatment, emergency services, and the defense industrial base. **Additionally, workers needed to maintain the continuity of these manufacturing functions and associated supply chains**
- Manufacturers, technicians, logistics and warehouse operators, and distributors of **medical equipment, personal protective equipment (PPE)**, medical gases, pharmaceuticals (including materials used in radioactive drugs), blood and blood products, vaccines, testing materials, laboratory supplies, cleaning, sanitizing, disinfecting or sterilization supplies, and tissue and paper towel products.
- For more information visit, <https://www.cisa.gov/critical-manufacturing-sector>

Additionally, we want to assure you, as our valued supplier, that:

- **We will promptly communicate any vendor or supply updates in a timely and efficient manner,**
- **We are committed to keeping our customers supplied during these uncertain times.**
- **We will promptly communicate any changes to our daily operations.**

Wagner Die Supply continues to follow the advice of health authorities regarding pandemic protocol. This includes safe work practices such as staying home if you're feeling ill, social distancing, employing heightened hygiene, and disinfecting practices.

If more information is necessary, please feel free to call Wagner Die Supply Head Quarters in Ontario California.

Respectfully,

Dwane Lamb
General Manager/Wagner Die Supply
