

Dieroom Tools and Accessories

Since 1947, Wagner has been a leader in innovation and quality. We carry what diemakers need, and develop and sell products that help maximize your shop's productivity and profitability.

Wagner Extractor 2000

Wagner's Extractor 2000 pulls rule straight up, while reducing kerf damage and keeping hands away from sharp die surfaces. A safety standard for 25 years, made in the U.S.A.

Bar-Plate Rule Puller

Not a pair of ordinary pliers that you can find at your local hardware store, the rounded jaws make it easy to "rock" out the rule. Can lift rule as close as 1/4".

Channellock Pullers

Standard design pullers in 7", 8" and 10" sizes.

Hand Rule Cutter

An inexpensive rule cutter designed to cut 2 and 3 pt. rule. Great for cutting coil stock or where a bench cutter is not available.

Multi-Cutter

Features easy-grip handles and 3 spare blades that store in the handle. All-purpose utility cutter for cutting non-metallic materials. Replacement blades and anvils available from Wagner.

Dieroom Tools and Accessories (continued)

Rule Tweaker

Rule Setter - unique tool designed to adjust cutting and creasing rule both on and off press. Allows for accurate adjustment of rule. Rugged construction, available in 2, 3 & 4PT versions.

Rule Tamper & Setter

Rule Tamper (left) - steel rule insertion tool that is perfect for detailed dies, reduces jarring stress on the wrist and forearm. **Rule Setter (right)** - ensures optimal diecutting performance by providing the control necessary to insert the rules into the dieboard undamaged, perfectly-seated and level with every other rule in the dieboard.

Pocket Scribes

#81 - 3/8" diameter Pocket Scribe 5-7/8" overall length. **#83** - 1/4" diameter Pocket Scribe 4-3/4" overall length. Replacement points available for both #81 and #83 units. **#88** - Carbide point scribe with pocket clip.

Super Sharpener

Heavy duty sharpener with replaceable blades. "Touch-up" and sharpen rule to complete a cutting run. Includes a hand guard for safety. Use only on dies that cut into a cutting pad.

Nicking Chisel

Quick and economical way to nick rule, three sizes of chisel tips: .020, .030 & .040. Tips threaded for quick and easy changing.
