

Washer Set Punches

Wagner can create a wide-variety of styles and shapes!

Wagner can create a wide-variety of Washer Set style punches, from two-punch combinations with a nylon spacer, to milled washer sets and specially bored metal-to-metal washer sets. Wagner can also install springs and specialized ejectors, based upon the material and thicknesses to be cut.

Contact us for detailed information and for assistance. We can help with the design and production of a Wagner washer set best suited for the project you are cutting!

Wagner washer set - 2-punch combo, with an outside bevel punch for the outer cut, and a feed-through punch for the center hole cut. One of many options available when selecting a Wagner Washer Set.
